

PHILAGRO

ReTain[®]
PLANT GROWTH REGULATOR

Harvest the Potential

ReTain[®] helps to optimise the potential of your crop by decreasing harvest peaks and enhancing fruit quality. Fruit can be picked later at optimum quality with regard to fruit size, fruit colour and storage quality of the fruit. Furthermore, **ReTain[®]** offers you peace of mind when it suddenly rains during picking season. The potential of your crop lies in your hands. Contact us and get **ReTain[®]** - the product that pays, time after time.

With ReTain[®] your apple crop is tip top

ReTain[®] (Reg. L6141 Act 36/47) contains
[S]-trans-2-amino-4-(2-aminoethoxy)-3-butenoic acid hydrochloride (caution).
ReTain[®] is a registered trademark of Valent BioSciences Corporation, Libertyville, Illinois, USA.
