ReTain[®]

PLANT GROWTH REGULATOR

Harvest the Potential

ReTain[®] does not budge when it comes to growth regulation in stone fruit.

So, if harvest management, fruit size, quality and storage potential of your fruit are important to you, **ReTain[®]** will deliver – time after time.

Quality control, etched in stone

CONSULT THE PRODUCT LABEL FOR COMPLETE DIRECTIONS & RESTRICTIONS.

ReTain[®] (Reg. no. L6141, Act No. 36 of 1947) contains [S] -trans-2-amino-4- (2-aminoethoxy) -3-butanoic acid hydrochloride, caution. **ReTain[®]** is the registered trademark of **Valent BioSciences, USA**.
